Tamar Energy Community Limited is a social enterprise for community benefit.  
Registered with the Financial Conduct Authority as a Registered Society, number 32455R

**Do your energy bills seem too high or difficult to understand?**

**Is your home warm enough?**

We can help with:

- understanding your bills and how to pay less
- checking you're on the best tariff and switching supplier
- finding out if you can get extra help from your supplier
- advice on heating controls, smart meters and fuel debt

**Free impartial advice from our qualified energy advisors**

As part of the Big Energy Saving Network we can offer one to one practical support, including home visits, to help people reduce their fuel bills.

We can also give talks to community groups, attend community events and provide briefings to front line workers and volunteers on how to reduce fuel bills.

If you would like our help or can help us to reach people who would benefit from our advice and support please get in touch.
